If you have information to contribute to this page (corrected records, career scoring leaders, seasonal scoring leaders, 3 pt. career leaders, seasonal 3 pt. leaders, etc) please contact Rick Williams, 269-623-9200.

1975 was the first year of organized women's sports (softball and volleyball) at DKHS.

Up until and including the 1984 season, the women were using a men's size basketball.

In 1987 the 3 point line came into use and that was also the last season of using a jump ball after each held ball.
